

Character Qualification Code

Here at **Making Much of Christ Ministries**, we strive to partner with men and women of integrity who want to make known the name of Jesus to the ends of the world. We believe that one's character **always** outlasts their gifting. Below we have provided the Character Qualifications for joining our organization rooted in 1 Timothy 4:12a. Each individual should live their life in such a way that is God honoring. This is accomplished by setting an example in:

- **In Speech**
 - You are expected to speak in a manner that brings glory to God at all times. Regardless of what setting one finds themselves in, a good candidate will have the wisdom and maturity to use their tongue to **bring life and not death**. You will uphold a concerted focus when writing things for this organization that is altogether: **accurate, loving, fearless, excellent**, and most importantly **thought provoking**.
- **In Conduct**
 - You are expected to conduct themselves as disciples of Christ; recognizing that their actions (both positive and negative) directly reflects upon MMCM's organization. Furthermore, they are to **immediately** report any action (directly or indirectly) associated with themselves that may bring reproach to this organization. **A servant's mindset** is expected as a contributor to this ministry. Therefore, a viable partner to our ministry will make every effort to answer the call of their position; putting forth **their best effort**. They are to treat their position as an offering unto the Lord; leaving no energy left unused. **Simply put, treat this ministry as their own**. Lastly, their conduct should be transferrable to others; **producing good fruit**.
- **In Love**
 - We expect you to have a **winsome spirit** in all their engagements; both directly and indirectly connected to MMCM. If they are sharing difficult truths for the betterment of a recipient of MMCM; they are to do it **in love-yet not compromising truth**.
- **In Faith**
 - You are expected to be believers of Christ. This means a robust understanding of creation, redemption, and the consummation account of scripture. **Furthermore, their knowledge must be supported by a foundation of belief in Christ's saving grace**. This must play itself out in their respective communities and permeate in their work connected to MMCM. Their faith should display itself out by their excellent efforts.
- **In Purity**
 - You are expected to live a life of purity: **both body and mind**. They are to readily share with an accountability partner in the faith any present struggles that may occur. Furthermore, if they commit sin that would bring reproach to both their lives and/or MMCM; they are to **immediately report** this to Brandon-pastor of MMCM. We expect the **vigorous pursuit of faithfulness-not perfection**. Lastly, we expect a pure/honest pursuit of **diligent focus** and attention to their position at MMCM.
